Online Booking and Payment Agreement

Last Updated: January 1, 2026

By booking an inspection and submitting payment through this website, Client agrees to the following Terms and Conditions. Acceptance is required prior to payment and constitutes a legally binding agreement.

1. NATURE OF SERVICES

Client understands and agrees that a home inspection is a professional service consisting of a limited, visual evaluation of accessible areas of the subject property at the time of inspection. The inspection is not a warranty, guarantee, insurance policy, or certification of future condition, and no prediction of remaining life expectancy of components is made.

2. SCOPE OF INSPECTION

This inspection report will be performed in accordance with the Standards of Professional Practice of the State of Arizona Board of Technical Registration (STANDARDS), which can be found online at <https://btr.az.gov/resources/standards>.

Inspector: 63295, Darrell Penn Jr.

3. ONLINE BOOKING AND ELECTRONIC ACCEPTANCE

Client agrees that:

- Checking the acceptance box and submitting payment constitutes electronic acceptance of this agreement.
- Electronic acceptance is the legal equivalent of a handwritten signature.
- Client has had the opportunity to review these Terms prior to payment.

4. PAYMENT AUTHORIZATION

By submitting payment information, Client expressly authorizes CDC Home Inspections to charge the provided payment method for inspection services.

Client agrees that:

- All inspection fees are earned upon performance of the inspection
- Payment is required regardless of inspection outcome
- Services are deemed rendered once the inspection is performed and findings are delivered verbally, digitally, or in written report form.

5. NON-REFUNDABLE SERVICES RENDERED

Client acknowledges that home inspection services are non-refundable once performed.

Once the inspection has occurred and findings or reports have been delivered, the service shall be deemed fully rendered. Client agrees that charges for completed inspection services are not eligible for reversal, refund, chargeback, or dispute.

6. CHARGEBACK AND PAYMENT DISPUTE RESTRICTIONS

Client agrees not to initiate a chargeback, payment dispute, or payment reversal with any card issuer for services that have been rendered in accordance with this agreement.

Client understands that initiating a chargeback after services have been rendered constitutes a breach of contract.

7. MANDATORY 30-DAY RESOLUTION AND INVESTIGATION PERIOD

Before initiating any payment dispute, chargeback, or refund request through any card issuer, Client agrees to the following mandatory process:

1. Client must submit a written dispute or concern to CDC Home Inspections within 7 calendar days of inspection delivery.
2. CDC Home Inspections shall be afforded up to 30 calendar days to investigate, review documentation, and respond.
3. During this 30-day investigation period, Client agrees not to initiate a chargeback, dispute, or refund request through any card issuer or payment processor.

Failure to comply with this process shall constitute a breach of this agreement and may be used as evidence in any dispute proceeding.

8. EVIDENCE OF SERVICE COMPLETION

Client agrees that any of the following shall constitute conclusive evidence of services rendered:

- Inspector arrival records or timestamps
- Inspection photographs
- Inspection reports or summaries
- Email or SMS delivery confirmations
- Automated service completion notices
- Internal inspection logs

9. CARD NETWORK COMPLIANCE ACKNOWLEDGMENT

Client acknowledges that under Visa, Mastercard, Discover, and American Express rules, services rendered as described are not subject to chargeback solely due to dissatisfaction with results.

Client agrees that acceptance of this agreement confirms acknowledgment that services were properly disclosed and authorized prior to payment.

10. IDENTITY AND PAYMENT METHOD VERIFICATION

Client agrees that:

- The name on the payment method must match the booking client or authorized representative
- Fraudulent use of a payment method constitutes a material breach of this agreement

11. ADMINISTRATIVE COSTS FOR IMPROPER CHARGEBACKS

If Client initiates a chargeback or dispute in violation of this agreement, Client agrees to be responsible for:

- Chargeback fees
- Administrative handling costs
- Collection costs if applicable

12. LIMITATION OF LIABILITY

To the fullest extent permitted by law, CDC Home Inspections' total liability for any claim arising out of the inspection shall be limited to the fee paid for the inspection.

13. GOVERNING LAW AND VENUE

This agreement shall be governed by the laws of the State of Arizona. Venue for any dispute shall lie exclusively in the county in which the inspection company is based.

14. ENTIRE AGREEMENT

This agreement constitutes the entire agreement between the parties and supersedes any prior oral or written representations.

FRAUD WARNING AND CHARGEBACK ABUSE

Client acknowledges that initiating a chargeback, payment dispute, or payment reversal for inspection services that were authorized, properly disclosed, and fully rendered may constitute fraud, misrepresentation, or theft of services.

Client understands and agrees that, in the event of an improper chargeback or dispute, CDC Home Inspections may submit relevant evidence and reports to one or more of the following entities for review:

- The payment processor, including Stripe
- The issuing bank or card issuer
- Applicable card networks, including Visa, Mastercard, American Express, and Discover
- The Arizona Attorney General's Office
- The appropriate County Attorney's Office
- Any other regulatory or enforcement authority with jurisdiction over consumer fraud or payment misuse

Client further acknowledges that evidence submitted may include, but is not limited to, electronic acceptance records, IP addresses, inspection photographs, inspection reports, timestamps, communications, and transaction data.

Client agrees that intentional misuse of the chargeback process or false statements made to a card issuer may result in account restrictions, loss of dispute privileges, or further action as permitted by law.
